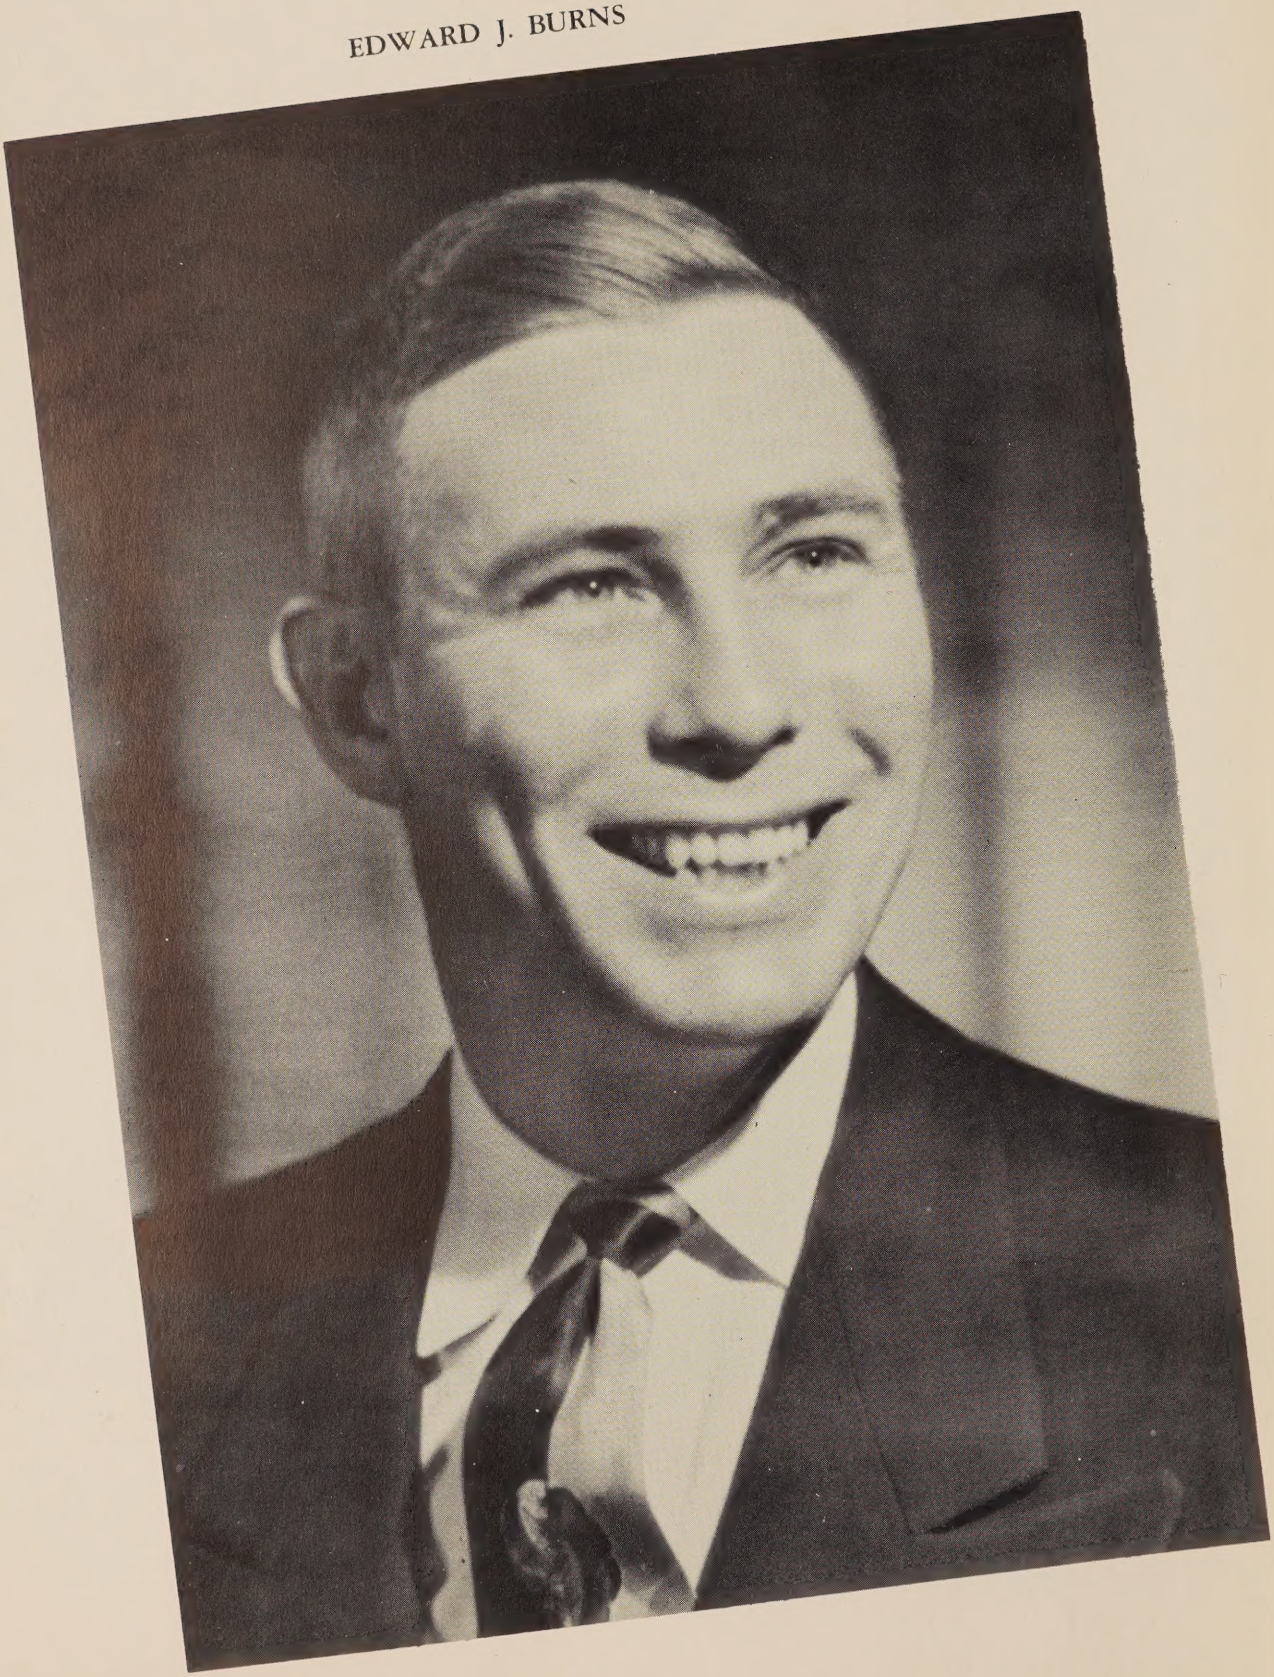
EDWARD J. BURNS



In Dedication . . .

To Edward J. Burns, whose sincere interest and ceaseless guidance has brought us to the heights of stardom, we, the class of 1954, dedicate our Milestone.

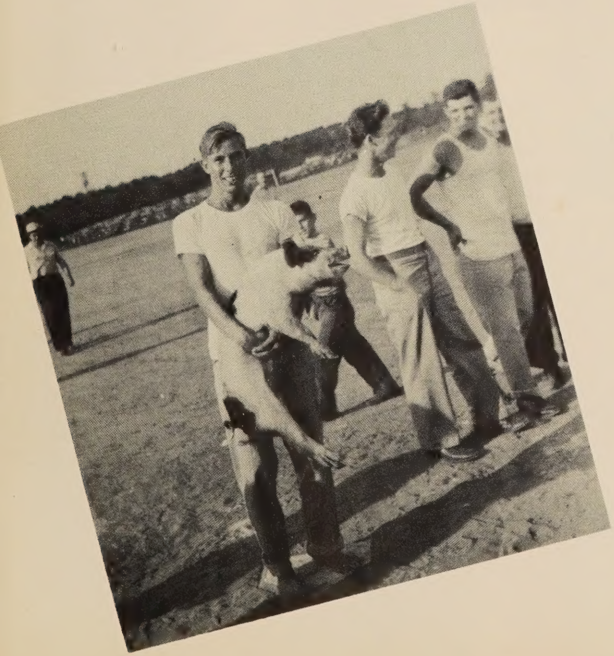
Mr. Burns attended the Corpus Christi grammar school in New York City, which features progressive education. He is proud to have been a student of this school, one of the most famous grade schools in the country. During the following years at the High School of Commerce, he was an active participant in athletics.

After his graduation from high school, Mr. Burns served in the United States Air Force. His duties during the next three years carried him from the southwest to Newfoundland, Africa, Italy, and Germany.

At Columbia University, Mr. Burns received his bachelor of science and arts degrees. In August of 1949, he completed his education, and in September of that same year, assumed his new duties at PHS.

Mr. Burns finds working with the faculty at PHS a true source of enjoyment and cooperation. This driving instructor at PHS rates high on the popularity polls of the student body.

We are humbly appreciative of his kindness and friendly interests, and sincerely hope that future classes of PHS will have the opportunity to benefit by his helpful guidance.



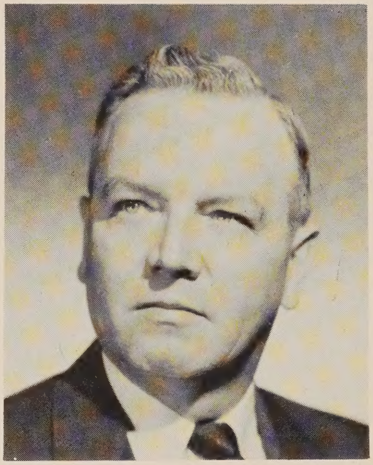
DIRECTORS AND PRODUCERS

MR. HELD

We can never forget the inspiring talks in assembly by our principal, Warren H. Held, whose friendly interest helped promote better understanding between the students and the faculty.

MISS HOFF

Leaving her duties as administrative assistant to become vice principal is Lola K. Hoff, who has continued to encourage and guide us through our four years in PHS.



DR. ROSS M. GILL

To our PHS studios came our leading director, Dr. Ross M. Gill, who came to us from Mount Lebanon, Pennsylvania. Although he is new to our system, we feel that he will offer great contributions to PHS.

MR. BANTA

We are greatly appreciative of the effort and interest spent on our behalf by our administrative assistant, Henry Banta.

MR. PASSARELLA

Having left behind him the role of classmaster, Mr. Passarella assumed his new post as an administrative assistant. Through his able guidance, the Class of "54" has been aided in obtaining stardom.

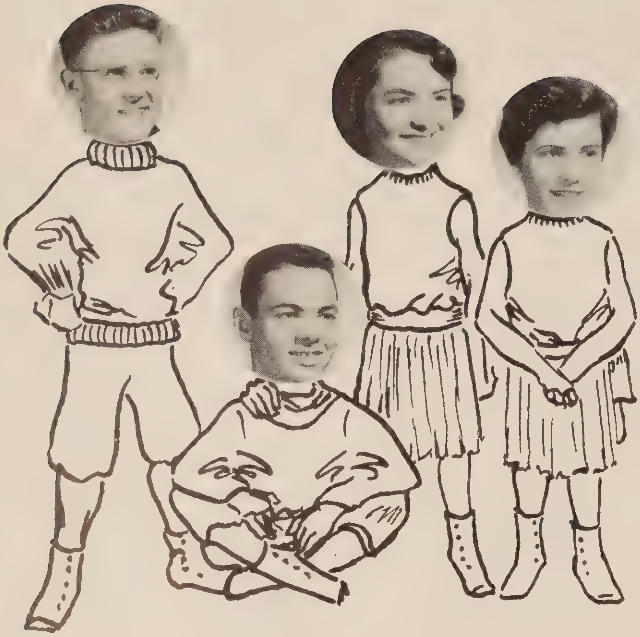
SENIOR CLASS

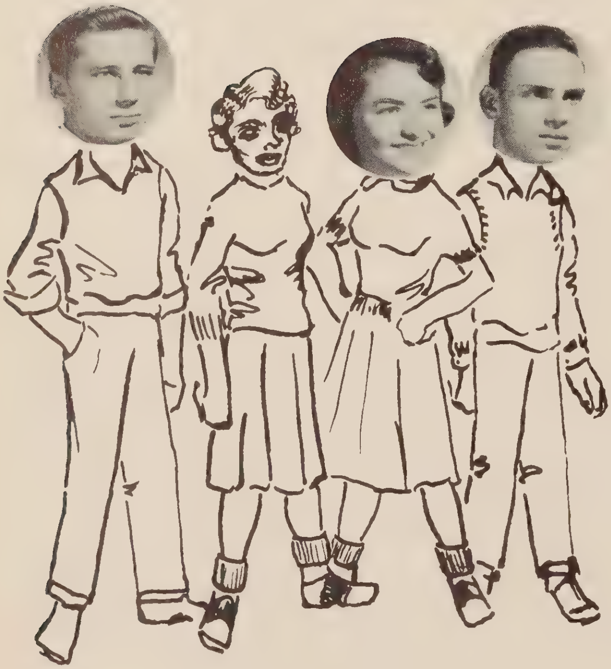


"OUR GANG"

As we the Senior Stars of *PHS* step up to receive our Oscars on Graduation Day, we realize that all too soon our big production "The Class of 54" has been completed. When we glance back over our four years of preparation for this day, we remember how far, far away graduation seemed when we, as bewildered Frosh, entered the *PHS* Film Studio for the first time. For our production manager we elected LOWRY MANN. He was ably assisted by DICK MILLER, SUE KRAMER, and BARBARA CORBIN. Everyone joined in the fun at our first social event, the Freshman Party.

None the worse for wear, in the fall of 1951 we returned to our *PHS* studio. After electing our new directors LEW ALPAUGH, MIKE GUTKIN, BOBBIE POND and SUE KRAMER, plans were made for our successful square dance, "The Sophomore Hop."

Before we knew it, September had come again and we as upper-stars resumed our work once more. With DICK BABBITT, TONY GRIFA, MARLENE HERRMANN and LINDSAY BARLETTA to guide us, we made plans for our "Saints and Sinners Dance" which provided fun for everyone. We increased our treasury by selling *PHS* feathers and displayed our 1954 school rings with pride. It was a happy day



"THE HAPPY TIME"

HISTORY

"BEST YEARS OF OUR LIVES"

when LOWRY MANN, a fellow classmate was elected to serve as Student Council Treasurer.

September 1953 came all too soon and we entered *PHS* for the last time, determined to make our production "The Class of 54" the best ever. Besides our class directors, OLIVER KOLLOCK, RONNIE ANDREWS, NANCY LISKE and TONY GRIFA, we elected LOWRY MANN, PEPE PAPA, ANGELA CASSERINO and SUE KRAMER as Student Council directors; ELAINE GOLDENTHAL was chosen Editor-in-Chief of the 1954 *Milestone*. Our Senior Play "The Curious Savage" starring GAIL LOGAN kept everyone in suspense. Time passed quickly and the Senior Prom was upon us, it will always remain unforgetable to those who attended. We proudly ruled *PHS* on Senior Day and as the evening drew near both joy and sadness filled our hearts as we realized that our last social event, the Senior Supper was coming to an end.

With commencement drawing near we were busy signing yearbooks and saying good-byes. Still reminiscing we began to sing our ALMA MATER for the last time. We must look into the future because our goal graduation, has been achieved —"The Class of 54" was truly a success!

SMASH HIT OF THE YEAR!

Last night, November 6, marked the opening performance of THE CURIOUS SAVAGE, a presentation by the Senior Class of P.H.S. In the leading role of Ethel Savage was Gail Logan, who excellently portrayed an old eccentric lady with a $10 million fortune. Her sons, Titus and Samuel were played by Michael Gutkin and Tim Minar respectively. Marilyn Tobin played the daughter Lilly Belle.

Others in the cast included Myron Margolin as "Dr. Emmett," and Janet Weber as "Miss Willie," his nurse. The inmates of the institution were: Mary Johnson—"Maizie"; Paula Blackman—"Florence"; Kathrine Von Kay—"Mrs. Paddy"; John Mastriana as "Jeff"; and Gerry Flanzbaum as "Hannibal."

The excellent work of the stage crews was evidenced in the very effective lighting and authentic scenery and sets.

Due to a power failure at the final curtain, Miss Mixer, the coach, received her bouquet of gold chrysanthemums by flashlight. This token of appreciation was given to her with these words: "For all the patience you have had and all the help you have given us, the cast of THE CURIOUS SAVAGE says thanks."

This play started off a prosperous season for the Seniors.

JUNIOR CLASS

Mr. Charles Detgen

We've made our debut! We're upperclassmen! When we started as Freshmen we were just extras wandering around this vast lot looking for work. Directed and prompted by our principal, Mr. Kindig, our classmaster, Mr. Detgen, and our counselors, we passed our screen test and were admitted onto the set. We decided that since we had a bit part to play, we would do our best, and so we elected Ronald Bender for our president, with Sydell Ruskin, Gretchen Rademaker, and Tony Curreri as his assistants. During this first year, we initiated the procedure of homeroom visitation, and our parents had a chance to supervise our working conditions. All along we had been improving our "takes"; in fact our first amateur attempt, the Freshman Party, was a hit.

Then came our sophomore year, and we "wise fools" delegated George Friedlander to be our leading man, Toni Smith, Gretchen Rademaker, and Tony Curreri playing the supporting roles. That year, too, we presented an original production—the messenger service—which is now a traditional Sophomore honor. On Friday, the 13th of March, 1953, we sponsored our Sophomore dance, the Lucky Leap, celebrating our second year on location.

This year, as Juniors, we stepped before the cameras and played our first parts as upperclassmen. Our production manager was David Nicholas; his assistants included Toni Smith, Louise Britton, and Agent Tony Curreri. Due to the influence of TV, we found we had to supplement our income by selling *PHS* buttons for our class fund. The two stupendous events of the year were our Junior-Senior Dance and the Junior-Senior Prom, which we will always remember.

Next year we hope to make our Senior year a real box-office sellout and after putting one first star on our dressing room door, we know we'll be able to climb to the dizzy heights of stardom with many colassal productions behind us.

SOPHOMORE CLASS

We entered *PHS* like many other classes with a feeling of self consciousness but as we became better acquainted with our surroundings we felt more at ease.

We chose as leading actors for our debut Robert Kelly, Jerry O'Sullivan, Ilene Gartenberg, and Loretta Spiegal.

Our first social affair was our Freshman Party where we all had a chance to meet some of our fellow classmates.

During football season, we felt like a bigger part of the school as we cheered our team on to victory. We also participated in the inter class plays.

As Sophomores, we had made ourselves known around the theaters of Hollywood. We participated more in Student Council and worked on committees. We chose as leaders for our second year Brent Mauro, Jerry O'Sullivan, Ginger Predmore, and Ilene Gartenberg.

FRESHMEN CLASS

We were the traditionally lowly freshmen who in September went through our first big screen test at Plainfield High School. The upper classmen tried their best to fool us by telling the old story about the elevators. We were not as naive as they thought us to be. They couldn't fool us with the tale that we should let seniors ahead of us in lunch line—we were too smart for them.

We started our formal filming on Freshman Day when we met our director Mr. Held and his producers, who were to guide us throughout the coming four years.

Those chosen to play the first leads in our class production were Claude Sutton, president; Sheldon Baroff, vice-president; Janet James, secretary; and Sherry Welles, treasurer.

We were very fortunate in having the personable Mr. William V. Sette as our class master for he gave the class valuable guidance.

We showed the rest of *PHS* that we were going to be active on the lot by taking part in Band, Freshman Drama Club, Student Council, Library Council, Freshman Football, and many other clubs.

We had a gala premiere that night of December 4, 1953 when our freshman party was held. The class of 1957 began to make history that night when two hundred of us attended the affair. It was a tremendous financial and social success. We had a wonderful time getting to know all the freshman.

It was a wonderful year on the lot of *PHS*. We had made our first picture and it was greeted with acclaim. We are looking forward with excited anticipation to the "shooting" of our next three.

Mr. William Setté

The 1953 Cardinal Baseball squad began its season with an impressive win over Hillside, but from there on they copped only one game and lost nine.

In the inter-city championship contest, the Red Birds came out on the bottom twice. In the first game North Plainfield won 6-1. Larry Reilly, a senior, was the individual star in the second game which Plainfield lost 11-0. Reilly struck out sixteen men only to be hampered by some unfortunate errors. Also on Coach Liddy's pitching staff were George Friedlander, Lou Frusco, Nick Ferrante, and Fred Snyder.

To aid the team in the infield were Bob Lloyd, Bill Dreyer, Tom Ford and Jerry Bennett. Tony Grifa, Larry Myers, Guy Wedgeworth, Don Ciotta and Frank Blatz handled the outfield assignments. Catchers for the squad were Ted Bernstein, Dave Walker and Dan Costanzo. The team looked good at times but were hampered by bad breaks.

The Plainfield High School Tennis Team, coached by Art Smith, had a highly successful season, compiling a record of 11 wins against 4 losses.

During the schedule, they scored double victories over Cranford, North Plainfield, Highland Park and Dunellen. They also won matches against Thomas Jefferson, Perth Amboy and Long Branch. Their four defeats were at the hands of Rahway and Westfield, who each defeated the Cardinals twice.

One of the noteworthy accomplishments of the season was the winning of the Union County Doubles by John Coulthrust and Bob Brynildsen.

Other members of the Varsity included: Myron Margolin, David Canter, Stuart Halpern, Richard Bartholemew, Oliver Kollock, The Junior Varsity was composed of Mark Sokolinsky, Martin Schwartz, Bruce Whitcomb, Marvin Kadesh, Ken Kunzman, Bob Miron and John Harding.

John Coulthurst's name was placed on the honor plaque in the Boys' Gym.

Coach Art Smith said, "Plainfield was well represented in tennis this season with a young and ambitious team. Prospects look bright for the future."

Plainfield's '53 grid show got under way Saturday, September 26, against the Long Branch High School eleven.

A thirty-yard pass by Wathers to Frusco early in the first quarter accounted for Plainfield's sole touchdown. Long Branch tied the score (7-7) in the second quarter and went on to win in the fourth (14-7).

The following Saturday, the Cards ran into trouble. Capitalizing on Cardinal weak points, Columbia came through with a (32-0) victory.

Stepping into the limelight once again, this time against a hard fighting Bound Brook squad, the Cards won by a score of (14-0). A first period pass by Walthers to Bernstein accounted for Plainfield's first T.D. A fourth quarter interception by Bob Castles, and hard running by "Fanny" Grimes and Doug Werner sewed things up as the Red Birds came through with the seasons first victory. Sparkling defensive play high-lighted a game hard fought to the end.

In their next game the Cards were hampered by a strong Perth Amboy team (20-0). Due to fumbling, Plainfield's offense never really got rolling. Perth Amboy however collected touchdowns in the first, second and fourth quarters to cop the contest.

Against Asbury Park, the Cards displayed some of their great potential power. After vainly trying to stop two first half Asbury touchdowns, the Red Birds came back to score a touchdown on the kickoff opening the second half. Pete Byrne ran ninety-five yards behind perfect blocking for the score. Plainfield dominated play in the second half, although Asbury did score twice more via an intercepted pass and a Cardinal fumble. The Cards put on a great show in a battle hotly contested all the way.

The closest game of the season was played against Thomas Jefferson. After an early Tee-Jay touchdown, the game stalled, neither team gaining much advantage. Late in the fourth quarter, Jefferson's Queen intercepted a pass for a touchdown. Minutes later the Cards scored their only touchdown, led by Pete Byrne, Doug Werner and George Freeman. Jefferson took the decision (14-7).

In a rare display of power, the Canucks won the traditional P.H.S.-N.P.H.S. game. Bicknell, their quarterback raced around end for thirty-nine yards, setting up the first Canuck touchdown. Plainfield made several bids for a comeback but they never crossed the goal line. The Canucks drove over once again in the fourth quarter to end the scoring at (14-0).

Atlantic City's experienced eleven also proved too much for the Cards. A costly Atlantic City interception lead to their first touchdown. Plainfield bounced back with hard running by Freeman, Frusco and Werner to score and took the lead (7-6). The Vikings however, scored in the late second, third and fourth quarters to win (39-6).

Playing their best game of the season the Cards romped over their traditional rivals from Westfield (25-6). They out-fought, out-thought, and generally out-classed the Westfield eleven. Scoring in every period, Kenny Moon, Walter French, Lou Frusco and George Freeman accounted for Plainfield's TD's. Alert Red Bird defensive play rounded out the Thanksgiving Day Classic.

Coach Victor Liske, in his twentieth season, piloted his swimming team into one of Plainfield's best years. The team posted an 8-1 record in the regular interscholastic competition. The only loss was to the outstanding Columbia team which was beaten later by *PHS* to end a two year winning streak.

The Swimming Record Board was dominated this year by Ted Bernstein and Marty Dreyer. Ted Bernstein holds the pool record of 1:05.4 in the 100-yard backstroke event and also the school mark of 1:03.4. Marty Dreyer's time of 19:5 broke the fourteen-year-old 40-yard freestyle pool and school record by one-tenth of a second. He also is the co-holder of the pool record for the 100-yard free-style mark of 59.3.

The 160-yard free-style mark was made at 1.20.7 by Dave Nicholas, Toni Borton, Ted Bernstein and Marty Dreyer.

In the Eastern Interscholastic Swim Meet Plainfield placed fourth among the thirty-one schools: Second Place was won by Marty Dreyer in the fifty-yard free-style event and Ted Bernstein took third place in the 100-yard back-stroke. The medley-relay team of Bernstein, Borton and Dreyer placed second.

In the State Meet Plainfield came in third. Dave Nicholas placed second in the 100-yard breast-stroke, Dreyer ranked third in the fifty-yard free-style, and Bernstein scored third in the 100-yard back-stroke. Fifth place was won by Dave Douglas, Bill Hughes, Dave Nicholas and Toni Borton in the 100-yard free-style relay.

Boys making their last *PHS* appearance were: Ronnie Andrews, Ted Bernstein, Toni Borton, Bill Dreir, Marty Dreyer, Ed Feuerlein, Bob Holdaway, Dick Miller and Tim Miner.

The Cards this season came up with a five win, fourteen loss record under the supervision of Coach William Brann who is in his 20th year at Plainfield.

The Red and Blue lost the city championship in two closely contested games 71-62 and 58-53. Plainfield also lost to New Brunswick, Union and Asbury Park once and twice to Regional, Linden and Westfield. In the tourney play, they lost to Roselle Park and Thomas Jefferson.

Plainfield came up with victories over Bound Brook and Rahway twice and Union once.

Although this season was not one of their best, the Cards made impressive showings with the aid of underclassmen Don Cos, Rit Santaquida, Archie Bowers, Alan Oakes, Gary Weingartrer and Harold.

These seniors saw action for the last time at PHS: Homer "Skip" Wieder, Jim Bock and Simon Hirsch.

First Row, left to right: S. Bass, Manager; M. Mansolino, R. Walt, J. O'Sullivan, C. Price, A. Hall. *Second Row*: B. Waugh, S. Becker, A. Banks, H. Crawley, I. Bloom, Manager; Mr. E. Hubka, Coach.

Sporting hard won victories over Thomas Jefferson, Rahway, an exhibition victory over Pingry and a tie with St. Benedict's the card grapplers emerged with a better than average record. They won three matches while losing six and tying one.

Such mat veterans as Richard Fredericks, who rates third in the state 115-lb. class, Leroy Hush, Robert Brynildsen, Tony Grifa and Doug Werner boosted the team on its several successful outings.

Newcomers to the team have been Tom Grifa, L. Spino, J. Fitzgerald, W. Reese, C. Brick, N. Grimes, R. Jennings, H. Keenan, A. Schmalter, A. Slansky, J. Smith, M. Troiano and L. Turi who also contributed to the team's success.

We don't hope to capture your attention in 1954. But, as you browse through this volume several years from now, we hope you'll remember our friendly interest in your class and in your yearbook . . . and be prompted to entrust your home heating problems to us. Good luck, Class of '54 . . . and we'll wait for your call a few years hence.
